Introduction

Present Government is trying to bring transparency in all domain of Public life. GeM; Government e-Market Place hosted by DGS&D where common user goods and services can be procured. GeM is dynamic, self sustaining and user friendly portal for making procurement by Government officers to bring transparency in all Govt purchase. Public procurement forms a very important part of Government activity and reform in Public Procurement is one of the top priorities of the present Government. Government e-Marketplace is a very bold step of the Government with the aim to transform the way in which procurement of goods and services is done by the Government Ministries and Departments, Public Sector Undertakings and other apex autonomous bodies of the Central Government.

Preventive Vigilance; Preventive Vigilance is adoption of a package of measures to improve systems and procedures to reduce and eliminate corruption and discretion. It helps in improving the efficiency and effectiveness of the employees as well of the organisations by promoting clean bank transactions, productivity, promptness, professionalism and ethical practices.
